FYI, the Village will be decorated for the holidays beginning Oct 1st – Jan 7th.

Please use main entrance by the Red Barn, pull down the driveway past the Cotton Gin (under construction) and the Director will come out to meet you and direct where to park. As you exit your vehicles or bus you will need to get into groups of 10. Each demo station takes approximately 20 minutes. Most groups stay 2 hours, break for lunch and continue on with a self-guided tour of the village. We do recommend allowing an hour at the end of your visit to tour the entire village at your leisure.

Please Circle 1 to 5 Items of Interest:

Butter Making / Quill Writing / Candle Making / Blacksmithing / Textiles

The Mission of Millard's Crossing is to portray the spirit and ingenuity of pioneer settlement in East Texas and to connect present generations to those of the past.
